IMPORTANT INFORMATION ABOUT UPCOMING STORAGE

AT THE GENESEE COUNTY FAIRGROUNDS

First, let us start off by saying thank you to those that stored with us last year! Please read through this letter to make sure you are aware of all options available. This is on a first-come, first-served basis, so if you have stored with us before, know that we appreciate your business, but you are not guaranteed a storage space.

Storage Date

This year we will be taking storage-in on **Saturday, October 30, 2021** from **8 am to 11 am**. The rate for 2021-2022 is \$12/foot (*from the most frontal point to the most distant point – this will include any hitches on the front or back of your item*) and we will have volunteers on hand to measure your item. As in years past, we ask that you be patient with our volunteers as we place you in our buildings.

Early-in Dates

If you are interested in early-in, these will be by appointment only. You must call the phone number(s) at the end of this letter in order to set up a date and time for early-in. These dates have an extra charge of \$100 for the early-in fee (in addition to the regular storage fee of \$12/foot). Appointment Dates are as follows: October 14, 19, 21 and 23.

Storage-out Date

Right now, we are setting the storage out date as **Saturday, April 9, 2022**. We may end up doing it by appointment, as we have in the past, depending on weather and our volunteer situation.

There will be no guarantees for early-out. Saturday, April 9th is the take-out date and we will not be opening the buildings earlier than that unless our volunteers are available and weather is cooperative.

We apologize for any inconvenience, but the Genesee County Ag Society is a 100% volunteer organization. Our volunteer hours are limited - as you have busy schedules, so do our volunteers. We thank you for your past business and hope to continue to do business with you, your friends, and family in the future.
